NEW PICTORIAL WORKS.

Just published by R. SEARS, and for sale at No. 128 Nassau street, New York.

AMERICAN GIFT BOOKS FOR 1851.—Agents are wanted to circulate the following new and beautiful works, (retail price, \$2.50 per vol.) A new and complete PICTORIAL HISTORY OF AMERICA AND INDIA, with a descriptive account of those countries and their inhabitants, from the earliest period of authentic history to the present time. In which the editor has treated not only of the historical events, but also of the manners, customs, religion, literature, and domestic habits of the people of those immense empires.

The embellishments are about two hundred, and of the first order, illustrating whatever is peculiar to the inhabitants, regarding their dress, domestic occupations, their mode of agriculture, commercial pursuits, arts, &c. They are accurate, and each one has been made expressly for the work.

The volume forms a large octavo, containing between five and six hundred pages, printed in the best style, and on good substantial white paper. It is furnished to agents, handsomely bound in muslin, gilt, or leather, as the purchaser may prefer, at a very liberal discount, when quantities of not less than twenty copies are ordered at one time.

THRILLING INCIDENTS OF THE WARS OF THE UNITED STATES;

comprising the most striking and remarkable events of the Revolution, the French war, the Revolution war, the Indian war, the second war with Great Britain, and the Mexican war; with three hundred engravings! Retail price, \$2.50 per volume. Orders respectfully solicited.

SEARS' PICTORIAL FAMILY PUBLICATIONS are decidedly the best books that agents can possibly employ their time in supplying to the people of the United States. They are valuable for reference, and should be in every family. There is not a city or town in these United States, not even those of small importance, but contains many citizens to whom these works are of great service. They are also a copy of the literary wants of the Christian, the statesman, and the domestic circle, got up in a superior style of art and workmanship; and are not only such books as will sell, but also such as are of good principle will feel free to recommend, and willing to see the purchaser again after they have been bought.

One Plan. The plan the publisher has so successfully carried out for several years, is the obtaining responsible men as agents, who are well known in their own countries, towns, and villages, and have time and disposition to circulate good and instructive books among their neighbors and friends. Any person wishing to embark in the enterprise will risk little in sending \$25 or \$50, for which he will receive an assortment as may be directed, at the whole sale price.

Enterprising and active men of respectability and good address, would do well to engage in the sale of the above volumes, and in the postmaster's office, book peddlers, and newspaper agents, are respectfully requested to act as our agents. A handsome remuneration allowed to all who engage in their sale. For particulars address, post paid, ROBERT SEARS, 128 Nassau street, N. Y.

To publishers of newspapers throughout the United States: Newspapers copying this advertisement entire, without any alteration or abridgment, (including this notice), and not for sale, shall receive a copy of any of our \$2.50 or \$5.00 works, subject to their order, by sending direct to the publisher.
